

LIVE

Published for the residents of Sevenhampton and Brockhampton, Gloucestershire.
Sponsored by Sevenhampton Parish Council & The Show at Brockhampton

First things first. If you've children or grandkids to hand, the Bushcraft Fun Friday seems a great idea but it's on JUNE 1ST so don't miss it!!

There's more time to prepare for "Ride & Stride" a September event where you can get sponsored to bike, walk, horse ride from church to church in support of Historic Churches.

For the less energetic there is May 27th Gin & BBQ evening at the pub or save yourself for the Beer Festival on June 30th..

Good to have a named PCSO for Sevenhampton. We all wish Charlie Symes all the best in his new role and hope we can all get to know him.

Also useful - hopefully - the Community Alerts. Best to register to receive them on www.yourcommunityalerts.co.uk.

Items for the next Issue (August/September) by 20th. July Please.

Bill & I have been considering our future with Village Live and so intend to stop editing it after May 1919.

Since we began, methods of communication have expanded exponentially and it maybe is time for local news delivery to have a rethink.

With an amazingly loyal and reliable group of volunteer distributors, the newssheet has survived for 20 years and we've been very grateful for their support. Would anyone be interested in continuing a newssheet? Or in creating some electronic system, subject to privacy protection rules and Parish Council approval.

If you've any suggestions please email:

Gloucestershire Constabulary Neighbourhood Policing

As part of the new Neighbourhood Policing offer for Gloucestershire Constabulary, Chief Constable Rod Hansen along with Police and Crime Commissioner Martin Surl has pledged that each area will have a named Police Community support officer.

The local Police Community Support Officer for Sevenhampton is PCSO Charlie Symes, who is supported by colleagues in the local policing team, they can be contacted in a number of ways including our website

www.gloucestershire.police.uk/neighbourhood-policing/ and enter your postcode in the box. You can also use the 01452 907200 number for Cotswold District and leave a message or contact 101 with your concern and it will sent to the officer via our control room.

Over the coming months you may see the officers out in the parish. Please look on our website for the advertised dates for the community engagement vehicle. You can visit the vehicle and speak with local officers about any community concerns you may have or for advice on crime prevention.

YOUR Community ALERTS Gloucestershire

Your Community Alerts is Gloucestershire Constabulary's new, free messaging system that enables residents, businesses and community groups to participate in a two-way exchange of information

about what is happening throughout the county. Wherever you live in Gloucestershire you can receive up-to-date messaging about incidents that may affect you and your community. You won't be bombarded with information - you can choose exactly the type of alert you wish to receive. For example, you can help tackle crime by registering for witness appeals or keep ahead of those traffic jams by registering for road closure alerts. The aim is to send relevant information which is chosen by you and together we can make a greater impact on the prevention and detection of crime and anti-social behaviour in our communities.

The service is entirely free and you can receive the messages in a way that suits you. You may subscribe to alerts via text, email, voicemail or mobile app. To register for Your Community Alerts go to www.yourcommunityalerts.co.uk
