

You will be aware of the controversy over the proposal to put two wind turbines on Elsdon Bank. Passionate views are being expressed for and against.

A campaign has been formed by those definitely against the proposal. No formal organisation of the "fors" exists as yet.

It is impossible at the moment to point to where to go for an informed and "yet to be decided" view. Advice is talk to as many of your neighbours as possible.

I would expect that parishioners will express views and listen to others with courtesy and respect. Hopefully, we can agree that we are all part of this community and that no one - whatever their stance - is seeking to ruin it.

A poll is to be organised by the Parish Council - which should show the democratic consensus.

Meanwhile, Bonfire Night!

Consider the animals when using fireworks! Perhaps in future years we could pool resources and have one village fireworks night instead. More fun & better value.

PUSS DEFURRED

The BADS production of 'Puss in Boots' originally planned for November 30th to 3rd December has been postponed until February 2006.

FIREWORKS

Can all villagers please be aware that around November 5th they should advise neighbours if they are letting off fireworks. Many pets get extremely distressed by the noise from fireworks and can suffer from trauma in particular if there are several firework parties in one small community over a couple of nights.

What the law says about fireworks:

 3. It is illegal to let fireworks off in the street.
 4. It is illegal to have fireworks in your possession in a public place if you are under 18 yrs old.
 5. It is illegal to have professional fireworks in your possession unless you are a professional!
- Enforcement of these laws is the responsibility of the Police. Therefore please report any such incidents to 0845 090 1234.
