

Rhodes Memorial Hall Double Dice Lottery

Tickets are £5 per month, with a prize for a lucky winner of £50 each month

Thank you for your interest in the village hall lottery, we would greatly appreciate your support.

The Lottery has proved to be an important source of income for the Village Hall.

The cost of maintaining the Hall, and its facilities, for the benefit of those living in the village, and its surrounds, is, and will continue to be, expensive.

The best way to subscribe is by setting up a standing order for just £5 per month, payable on the 1st of each month.

The bank details are, sort code 77-64-93 (TSB) a/c no 00538268 The Rhodes Village Hall Lottery Account.

Alternatively, you could make a single payment of £60 to the above account for a year's subscription.

Please no cash or cheques.

Please let me know by email. Harry.boyd820@outlook.com

When I receive the next bank statement, and thus confirmation of your subscription, I will draw a ticket for you at random from the unsold tickets, and let you know your number by email.

There are 72 tickets coloured Blue or Red. Dice 1, 1-3 Red, 4-6 Blue. Dice 2 numbers 1-6. Dice 3 numbers 1-6.

The Draw for £50, takes place at the end of each month using an online random number generator. The result is published by Yvette in village dates, and on the village website, www.sevenhampton.org

If an unsold ticket is drawn the prize will be rolled over to the next month.

All profits from the lottery go to the "Rhodes Memorial Institute and Reading Room" charity (no301476) in the pursuit of its aims.

Tickets are limited to one per person. The organiser and his immediate family are not permitted to enter.

Registered with Cotswold District Council in accordance with the Gambling act 2005 small society lottery regulations, certificate no 14/00128GASSP
